

Childminding Policy and Conditions

- Children **MUST** be booked in at least 1 day prior to attendance. As we have limited numbers, if your child is not booked in and there are no vacancies we will not be able to accept your child. Your spot will only be held up to 5 minutes before booking time, if you have not attended, your booking will be given to someone else. Please contact us if you are not able to attend or are running late.
- Your child/children must be signed in and out of the childminding area by their parent or guardian.
- Our childminding facilities are only available to children who are under primary school age.
- Parents/guardians must be present within The Gym at all times while their child is in the childminding area. For any child who cannot be settled. Parents/guardians will be asked to settle their child or they may have to take their child home.
- Please be aware we are not a child care facility and our staff are only supervising the children whilst you are in the building. We are not responsible for any feeding, toilet breaks or nappy changing. If this is required of your child/children you will be asked to do this.
- We strive to keep our childminding facilities safe and hygienic, so please do not bring your children to The Gym if they are sick. It is not fair on either the childminder nor the other children and their parents. We do not want to offend parents by having to ask them to remove their children from the childminding area due to sickness.
- Poor behaviour will not be tolerated within the childminding area and parents will be asked to remove their children if unacceptable behaviour is being displayed.
- Please do not allow your children to bring toys to The Gym as they will not be allowed to take them into the childminding area. This is only to prevent arguments between children and to ensure toys are not broken or left behind.
- If you are providing your children with drink please bring only water in a non-spill drink bottle clearly marked with your child's name. No food is permitted in the childminding area due to food allergies.
- Our Crèche hours are 9:30am – 11:30 am. As we have limited numbers, we have limited our crèche bookings to 1 hour this allows us to accommodate for more children. The time blocks are as followed 9:30-10:30 and 10:30 – 11:30. Please be prompt in collecting your child so we don't have an over booked next session.

THE GYM NOWRA Women Only have provided the child minding area FREE of charge to parents to help you exercise and get fit. We are not a certified child care centre and remind you your children are supervised at your responsibility. We can only make do with what space and facilities we can to ensure your children will be comfortable for an hour and give you time to exercise. Please be with us as sometimes there may be confusion and complications, but rest assure we value you as members and are doing the best we can for both you and your child/children. If you have any feedback or suggestions please do not hesitate to speak to childminding staff or staff at reception..
